AWARDS

The 2010 Lacrosse SA Awards have recognised some very special Eagles! At the Presentation Dinner on Friday night, our very own Men's League goalie, Ricky Smissen won the MVP trophy... a well deserved finish to his fantastic season. Zoey Cook was also acknowledged as the runner-up in the Women's Division 2 'Best & Fairest' category. Saturday saw Brayden Simpson being presented with the U18's 'Top Goal Scorer' trophy which he jointly won with Brighton's Peter Keane. With Ranga's 51 goals & 40 assists(!!!), what an asset he is to our club! We are also delighted NALC teammate, Josh Gray won the 'Best & Fairest' in that age group.

Saturday saw both the U15's & U18's take on Glenelg in the 'Grand Finals No. 2' at Findon Oval.

In an carnival-like atmosphere (the Eagles know how to form a cheer squad!), the U15's were the first to take to the field... & did they give the Seahawks a shock with two quick goals within minutes! However, despite never giving up, the experience of the opposition proved too much for our young side with a final score of 24 - 7. As coach Mark Harley said, no other team had come this close to Glenelg & all players should be proud of how well they had done. Congratulations on a great season guys... you are awesome & your turn will come!

Red & white joined the blue & gold as 'The Regals' took on the older Glenelg side. Our boys dominated the game from the outset & played with a maturity, composure & confidence that was a credit to them & coaches Steve & Michael. All players contributed to the final outcome of 16 - 7. You guys are wonderful representatives of the West Torrens & North Adelaide Lacrosse Clubs & worthy winners of the Premiership Trophy. Congratulations.

What a great way to end Season 2010!

Congratulations to all the U/15 and U/18 boys for the wonderful way they conducted themselves during the season and more particularly on Grand Final Day. Everyone in the WTLC is extremely proud to have each and every one of you as a member of our club. Congratulations to the U/18 boys for their great Premiership win, and even though the U/15 boys did not win the Grand Final they were all winners in our eyes.
