The FLYER

Welcome to the last edition of The Flyer for 2010! Our WTLC year concluded with the AGM on the 7th of November. It was a positive afternoon with much emphasis placed on continuing to rebuild the membership & strengthening it from within. We look forward to an exciting 2011 under the leadership of Matt Larwood. GO EAGLES!

LacrosseSA

Congratulations to Rob Clark on his appointment onto the LSA board as Director, Administration

In 2011, the U18 competition will revert back to the U17 competition

The Australian Central Community Lottery will be a major fundraiser for 2011. ALL money collected goes directly to the club! Ticket books will be available from February.

“ THANKS ”

With the changeover of the committee, it's time to reflect & say 'thanks' to those leaving the 'merry few'.

Helen Retallick took over as president of the WTLC at the end of 2008. She brought to the role executive experience thanks to her days with the Woodville Lacrosse Club, a determination to move the club forward as well as build a stronger relationship with the Woodville Hockey Club. The Eagles is a more cohesive & progressive club today due to her quiet guidance. A MEGA THANK YOU HELEN!

Jim Retallick has also spent two years on the committee. As with Helen, he could be found filling the gaps, whether it be representing the club at LacrosseSA, manager of the Men's League, water-boy or welcoming new families to the club. Thanks Jim- your contribution has been greatly appreciated ... & glad to see you back on your feet!

Julie-Ann Burgess took on the role of Minutes Secretary this year. While she may say it's easy & stress-free (!!!), her assistance has been most beneficial. Thank you.

We welcome Ricky Smissen, Daniel Lomman, Luke Ray, Brian Harrison & the 'Three Amigos' Kate Grivell, Kate Howie & Michelle Parker to the 'merry few'. Your willingness to become more involved in the direction & management of our club is fantastic & we look forward to your input.

Don't forget... if your contact details change or you want to 'spread the word' to fellow members- GET IN TOUCH!

Secretary's Report Dwayne Simpson

'I am pleased to fill the role of secretary this year & thoroughly enjoyed the involvement in planning & shaping the direction of WTLC. There are many positive developments happening off the field to lay a foundation for on field success with the assistance of a committee that is committed & passionate about this club & its success.' Dwayne cites player numbers, which is the responsibility of everyone within the club, as the key issue. *'We cannot grow if we do not attract old & new people to the club.'* He also highlights the need to improve our relationship with Lacrosse SA. *'2011 must be a year of action- both on & off the field- a sustainable change of culture will ensure WTLC is around for many years to come & a club for us all to be proud of.'*

Nezzy congratulated the U/18 & U/15 players & coaches on making the grand finals. He recognised the emergence of U/8 & U/11 teams which helps their development & he highlights the need to keep working with clinics to encourage & recruit children. 'West Torrens is starting to establish recruitment close to the club & we have a good rapport with the local primary & secondary schools' Nezzy welcomed the new children & their families to the club- 'we are much better for it' 'We would like to establish a Junior Parent Committee who would meet on a regular basis to offer new ideas, assist in junior off field events & liaise with schools. If anyone can help, please contact me for more details' Nezzy concludes with the need to focus on junior boys & girls, especially the U/13's. 'Looking forward to 2011'

Women's Division 2 Naomi Low

Gnomes thanked Nezzy & the juniors for ensuring the eligibility of the girls for the finals as well as Rob Clark- *'His knowledge & guidance he gives not only me but also the team each week can never be measured. The development & consistency of this team especially the core players has secured a consistent, competitive & skilled mid field that I no doubt can see will win a title within a year or two. In 2011 I would like to see the gap within the club between the men & women smaller' & acknowledged that some women have joined the social committee.
