

Thursday, 30th September 2010 **The FLYER**

Welcome! This edition of 'The Flyer' marks the end of Season 2010. Thank you to all those who have worked hard, either on or off the field, to make the WTLC the special club it is!

Eagles gathered at the Halfway Hotel this month for the 2010 WTLC Presentation Night... one of the few occasions where the men, women & juniors along with supporters come together to celebrate our club. Interspersed with much eating & drinking, coaches recognised the players who deserved special mention- congratulations to all recipients.

Highlights included the awarding of Life Membership to Greg Larwood. Mark Harley & Matt Larwood outlined Greg's remarkable lacrosse career from age 7 through to co-captaining the Australian team. A worthy recipient! David Johnson was awarded 'Club Person of the Year'. His long association with the Eagles started when only 3 weeks old & he continues to provide leadership on & off the field, is a committee member & our social director! Well deserved! Sorry photos not up to usual standard!

Presentation night

"awesome ...cool"

BAROSSA WINE TOUR 2010

Jim Retallick has graduated to rehab- keep up the good work!

Lacrosse BABY

Congratulations to Liz Tyack on the public announcement of her 'bump' due in April- hope all goes well!

Shane, Helen Retallick, Jimmy, Dwayne Edwards & the rest of the Nando's staff with Kaylah & Colleen King seated.

7th November at 2.00pm- come to Finsbury Reserve

Eagles, consider joining the committee! Most positions are either filled or already have nominations but we need more members to have a say in the direction of our club, spread the workload & to do some 'giving back'

SMALL INVESTMENTS OF YOUR TIME & EFFORT = BIG DIFFERENCE FOR THE EAGLES!

Contact Matt Larwood- mattlarwood@gmail.com for more info or to nominate.

GO ON ... GET INVOLVED

Enjoy your break! *JY*

Dylan Retallick

Teams from WA, Victoria & New Zealand have gathered at Barrett Reserve for the ALA U15 Championships. Jac Harley & Dylan Retallick in the Eastern Reds have had close games that have even gone down to the 'golden goal' while Jack King in the Western Reds has shown Eagles can be small but gutsy! Helen & Scott Retallick are also helping in official capacities! One MVP to Jac already- well done! Good luck for the finals ... **GO REDS!**

birds of a feather night

Eagles 'Out & About' week started on Monday with the Nando's 'Birds of a Feather' fundraiser. Many families took the opportunity to fill their tumbs while helping to fill the club's bank balance! Over \$900 was raised in just two hours thanks to the wonderful support of Jimmy, Shane & the rest of the Nando's crew. Jimmy is now an honorary Eagle with his own t-shirt & a budding appreciation for the WTLC! Please support the company that's supporting us. **Thanks to those Eagles who joined us ... & mega thanks to all who helped, especially Dwayne & Ricky**

WATCH OUT FOR NANDO'S AT OUR

AGM

one saturday in september...

The day finally arrived after being put off for an extra week due to bad weather (the first decision of its kind to my knowledge)- stress, stress, stress! Pre game warm up was a quiet one from the boys, no telling how they were feeling. Michael Goudie & I got into their heads, reminding them what was at stake. Lots of positive reassurance. We told them it was in their hands now- we had done the best we could. The boys got off to a fantastic start with James Harley winning the first three centres which all resulted in goals. Glenelg was stunned to say the least! This set the trend for the whole game with every team member going hard & giving it their all. Mickey backed his team up with a cracker of a game, saving over 80% of shots on him. We were leading at every break & had a lot of positive reinforcement from all areas - coaches, manager, spectators, captains & the players themselves. The captains (Brayden Simpson & NALC Brandon Hancock) did a good job showing leadership & shouldering a great amount of responsibility, Mickey did a good job leading his defence & James kept the pressure on in the centre. Everyone stepped up- it was a true team game from start to finish. Personally, I think the boys thought 'lets get it won & over, then we can get Stevie off our backs!' Well done boys, couldn't be prouder. Only one negative, it would have been nice to see a better showing of senior players on the sidelines giving their support- the same support many of the juniors give to you week after week. Thanks to co-coach Michael. A special thanks to Dwayne Simpson & Garry King for all your hard work & a super special thanks to Sue Simpson for the many great photos.

Score- W.T./N.A. 16 defeated Glenelg 7

Best on Ground- 1- Michael Yallop 2- James Harley 3- Nathan Ryan (NALC) 4- Brayden Simpson 5- James O'Brien (NALC) Stevie Horton
