**THE EAGLE AND THE COCKEREL JOIN FORCES!**

Last week, committee members met with Nando's executive, Jimmy Shepherd, thanks to an initial introduction via Ricky Smissen (yeah Ricky!). The WTLC is very pleased to announce that Nando's has offered to provide ongoing support for the Eagles. Jimmy was impressed with our passion for our sport, commitment to the club & our family focus. His main objective is to raise awareness of Nando's while assisting small community based groups & talked about developing a long-lasting, open & flexible relationship. Some initial proposals included nibbles after home games & club events, weekly vouchers for junior 'Best on Ground', a free 100 person dinner, free use of Nando's function room, as well as fundraising 'Birds of a Feather' nights. This is a fantastic opportunity for our club & trust this will be the start of a long & successful partnership with Nando's. We welcome Jimmy as an honorary Eagle!

**GO YOU EAGS!**

What a great couple of weeks for the West Torrens Lacrosse Club! The Women's Division 2, Under 18's & Under 15's entered the finals with mixed expectations but all have played competitive, fair & exciting lacrosse!

The women started second on the ladder & after two close games & in front of a plethora of supporters, have finished their season. This cohesive collection of young adults, young mothers & a young grandmother, have shown more experienced sides the 'Eagle Girls' know how to play lacrosse! Congratulations! The U18's won the right to go straight into the Grand Final after a heart stopping, evenly matched game against Glenelg. It finished with a James Harley nanosecond dash from face-off to goals! Awesome LAX! The U15's began as a 'just scrapped in' 4th to premiership contenders! Teamwork & determination has been evident but special mention goes to 'never say die' Jac Harley & 'goalie supremos' Harry Nisbet & Jack King! **Good luck to both teams ... you do our club proud!**
